

## Return to Fiorano

Alessia Antinori has Restored Her Grandfathers' Estate

About a year ago, I visited Alessia Antinori at the Fiorano estate just outside of Rome. The estate has been in disrepair since the death of her grandfather, Alberico Boncompagni Ludovisi, prince of Venosa. For the fascinating background to this story and how Alessia and her two sisters came into possession of half of the estate see [“Fiorano Wine Estate in Italy Making a Comeback”](#) [2] by Eric Asimov in the New York Times

*When I visited Alessia had just begun to restore the property and it looked like she had a long way to go*

## The Vines

*Wine and food knowledge is a basic life skill for all people. It's incredibly refreshing to see wine being found as the wines that cause them to hate the fog.*
